

Victor Daniel Hu

2950 SW 35th PL #48, Gainesville, FL 32608 • victorh3@live.com • (305) 710-9273

OBJECTIVE

To acquire a full-time position in software development where I can apply my knowledge and problem solving skills to create valuable products for clients.

EDUCATION

University of Florida – *College of Engineering*, Gainesville, FL

- **Bachelor of Science in Computer Engineering**, May 2016
- Overall GPA: 3.38/4.00

EXPERIENCE

COMPUTER & INFORMATION SCIENCE & ENGINEERING *Gainesville, FL* *August 2012 – Present*

Relevant Course Work

- Completed Digital Logic and Computer Systems, Programming Fundamentals I and II, and Discrete Mathematics, Database Systems Management, Introduction to Computer Organization, Signals & Systems, Digital Design, Data Structures and Algorithms, and Microprocessor Applications.
- Contributed to the design of a gradebook management system which required implementation of an Oracle database in the back end with a web based user-interface at its front end.

VERIZON DATA SERVICES LLC *Irving, TX* *June 2015 – July 2015*

Technology Upgrade for DevOps Support

- Migrated Verizon's SSP Adapters and Workflow code repository from IBM's ClearCase to Git with Stash Integration.
- Designed workflow for developers to follow in order to reduce the room for error.
- Led multiple training sessions to prepare the team for the upcoming changes in technology, most of the team is stationed in VDSI.
- Reduced licensing and training costs while decreasing time between release cycles.

LEADERSHIP

ASIAN KALEIDOSCOPE MONTH *May 2014 – November 2014*

Fashion Show Director

- Organizing a fashion show dedicated to highlighting the accomplishments of Asian Americans in both the community and the industry.
- Responsible for sponsorship hunting, contacting emerging designers, coordinating hair and make-up artists, holding a casting call, and managing a sub-committee of seven members.
- Wrote tech scripts and detailed logistics of the show to promote smooth running of the show that served an audience of over 200 members.
- Working with a budget of \$4,200 and raised over \$1000 towards Asian Kaleidoscope Month's philanthropy.

FLORIDA CICERONES *January 2013 – Present*

General Member

- One of the most selective and prestigious organizations, serving as the official campus ambassadors of the university. Chosen from a pool of over 900 applicants.
- Connecting past, present, and future Gators through events by the Student Alumni Association and serving as a tour guide for prospective students and families.
- Creating a positive and impressive image of the university, yielding higher application rates and national campus recognition.

SKILLS

- Proficient with Java, C++, and Git.
- Familiar with HTML, CSS, PHP, SQL, VHDL, MIPS Assembly Language, and MATLAB.
- Experienced with Windows, Macintosh, and Linux platforms.
- Certified Gator Professional and Machen Opportunity Scholar.
- Fluent in Spanish and conversational in Cantonese.
